RE: Revised Claim for Targeted Medical Care and Instructions

EFFECTIVE: January 1, 2009

The Claim for Targeted Medical Care has been revised. This is the claim form that providers of Consumer Directed Attendant Care (CDAC) use to bill the IME for their services.

To identify the new form, look in the lower left corner. The form number is still 470-2486, but the revision date listed is now 7/08. **This new form should be used starting immediately.** Please dispose of any copies of the previous versions of this form (revised 3/07 or earlier).

If you've recently submitted a claim on the old form, do not worry; it will still be accepted. **However only the new version of the claim form (revised 7/08) will be paid by the IME after January 1, 2009.**

Attached are revised instructions for completing the new Claim for Targeted Medical Care along with 12 copies of the new form.

The IME appreciates your partnership as we work together to serve the needs of the Iowa Medicaid members. If you have any questions, please contact IME Provider Services at 1-800-338-7909 or locally (in Des Moines) at 725-1004, and select option # 3. You can also contact IME by e-mail at: imeproviders@dhs.state.ia.us.
